Dear Parent/Guardian & Student:

Enclosed you will find registration materials for Dixon Middle School. Please look over these materials carefully. The booklet contains a short description of required and elective classes. Students will be registering for **elective classes** only; the computer will automatically enter required classes.

March 28 will be 6th Grade Day for 2019-2020 seventh graders. Buses will bring students to Dixon around 12:45 p.m. The students will be involved in a get-acquainted activity, meet their Paws advisor and attend orientation activities.

Parents and students are invited to an Open House at Dixon on March 28, from 6:00-7:00 p.m. You will be able to tour our school, meet staff and learn about life at Dixon.

As per board policy, we will use the academic performance of every student as the prime criteria for placement in courses, including advanced and remediation courses. Placement will be based on current performance, current teacher recommendations, and end of the year content area assessments.

In order for your student's schedule requests to be considered, registration materials must be returned to their Elementary teacher by Friday, March 29, 2019. Any registration materials not returned by this date must be taken directly to the Counseling Office at Dixon. Please help expedite this process by promptly returning the registration materials.

Immunizations (including the Tdap Booster, 1 Meningococcal and 2 Varicella/Chickenpox) are required for all 7th grade students before entering middle school in the state of Utah. Be sure to turn in proof of immunizations to the office at your Elementary School.

Sincerely,

Terry Hansen
Registrar

****Return by Friday, March 29, 2019****
