Attendance

DAILY ATTENDANCE

School attendance is a student/parent responsibility. Dixon provides immediate computerized attendance to assist parents and students. Parents are encouraged to check attendance by calling the attendance office at (801) 374-4980 ext. 2. Computer generated phone call will be made for all unexcused tardies and absences at 10:00a.m. and after 5:00p.m. each day.

The student will

1. Check grades and attendance weekly for accuracy and immediately report discrepancies to the teacher
2. Obtain prior-approval form for extended absence from Attendance Office, obtain administration and teacher signatures, and collect in advance any homework assignments
3. Obtain from the teacher any work missed because of absenteeism
4. Collect in advance work for planned absences (i.e., doctor appointments, extracurricular activities etc.)

If a student is physically unable to attend school for more than two weeks, Dixon Middle School may facilitate home or hospital instruction, with the written recommendation of a physician.

Reporting Absences

Students at Dixon are expected to be in class and on time every day. If circumstances are such that you miss school, your parent/guardian needs to excuse you. Please call the school at (801) 374-4980 Ext. 2 or send a note to excuse the absence.

Doctor's notes should be submitted for regular appointments (orthodontist, doctor, etc.) during school hours and for extended absences due to illness.

An absence will be marked unexcused if notification from home has not been received within five school days. A student will not receive credit for work that has been missed during an unexcused absence.

Excused Absences

School attendance policy allows for a maximum of 5 parent excused absences per term. Family emergencies, illnesses and court dates, along with some extenuating circumstances are legitimate reasons for being absent or tardy when the school has been notified that the student is ill or that the student has a family emergency. Extenuating circumstances regarding attendance will be considered on a case-by-case basis with 3 days prior approval from a school administrator. Parents should submit such requests in writing prior to the day of the absence.

Unexcused Absences

An unexcused absence, which may be from a single class or multiple classes, is one in which the school does not approve. Examples of absences, which are unexcused, include but are not limited to such reasons as: babysitting, oversleeping, going to the mall, working, or missing the bus or ride. An absence not properly reported by the parent or guardian is unexcused unless circumstances warrant otherwise. Students will not be allowed to make up work for days missed with an unexcused absence.

ILLNESS

If you are ill in school, ask your teacher if you may go to the office. Please follow these easy rules:

1. Have a teacher sign a hall pass so that you can come to the attendance office.
2. You must report immediately to the secretary in the attendance office.
3. You will be allowed to go home if your parents are contacted and give their approval.
4. If your parents cannot be reached and you are not in an emergency situation, you will return to class. If you are too ill to return to class, provisions will be made for you to rest at school.

NOTE: School personnel cannot administer medicine or give aspirin without specific permission from a parent each time medicine is to be given.

Prior Approval for Extended Absences

Students who know they will miss school for an extended period of time may get prior approval for the absences. Students may pick up a pre-approved absence form in the attendance office to submit for approval. The student will be expected to complete assigned work, and will complete that work in a timeframe agreeable to the teacher of the missed class.

Excessive Absences

Provo School District considers absenteeism excessive when it significantly interferes with a student's academic performance. Excessive absences include excessive tardies. We become very concerned anytime a student misses 5 days of school or 5 class sessions during one term or quarter. We will take reasonable steps to ensure that students are not penalized for absences due to legitimate illness. However, when absences become excessive, we may investigate claims of illness.
CLASS ATTENDANCE

At Dixon Middle School, Education and Class Time are so important that students are expected to be on time to class, prepared and ready to work when the tardy bell rings. There is a 5-minute passing period between each class. There is a warning bell at 4 minutes, leaving 1 minute to be in their seat ready to learn.

- Any student not in the classroom before the tardy bell rings is considered tardy and must sign the class tardy logbook.
- Students reporting to school late must check in with the front office before going to class.
- Excessive excused tardies will be addressed by the trackers/administration.

Sluffing Class / Truancy
If you miss class you will be required to make it up.

Single Class Truant: Time for Time: Parent is contacted. One truancy detention per period missed.

All Day Truant: Send home Utah Law regarding school attendance. In or out of school suspension possible. Phone call or meeting with parent(s), referred to conference with Counselor.

Continued Truant: Referral to Truancy School, Provo Attendance Court, and/or Juvenile Court.

DISCIPLINE
Students who break school rules will receive consequences for their actions. The consequences are relative to the seriousness of the rule that was broken. Behavior problems that are minor in nature will be handled by a classroom teacher yet may result in additional consequences. Behavior problems that are more serious in nature may require administrative intervention.

Students who arrive late for their assigned detentions will not be admitted.

Early Morning Detention
Students may be assigned to attend an early morning detention at 7:00am as a consequence for behavioral problems at school. Students are expected to come prepared to work on school assignments. Students are responsible to arrange for their own transportation for an early morning detention.

After School Detention
Students may be assigned to attend an after school detention from 3:00pm – 4:00pm as a consequence for behavioral problems at school. Students are expected to come prepared to work on school assignments.

School Service Hours
Students may be assigned to work after school or during lunch as a consequence for their behavior. Students will work under the direction of a staff member to complete any assigned service hours.

Suspension
Students may be suspended from school as a disciplinary action. A suspension may result for any of the following reasons: not responding to multiple interventions to correct student behavior, safe school violations, gang activity, fighting, profanity, harassment or intimidation, continual disruptive behavior, vandalism, tagging, destruction of property, any unlawful act, truancy and excessive tardiness. An alternative placement may be considered if behavior problems continue after a suspension. A parent/administrator meeting will be required before any student returns from a suspension.

Note: School Administrators reserve the right to administer discipline and consequences in a manner that they deem appropriate based on investigation, previous behavior, mitigating circumstances, and subjective evaluation.
Tardy / Truancy Policy and Procedures

Being successful in school requires students to be in class and on time every day. A natural consequence of tardiness and/or other attendance problems is reduced academic performance and poor citizenship. Absences and tardies make it difficult for students to be successful in class. Students who are absent from class and/or arrive late miss out on important instruction and directions related to assigned work. Tardiness is a distraction to the classroom. All students are encouraged to be on time and prepared for each class.

The staff at Dixon will take steps to correct Attendance and Tardy problems as outlined in the Provo School District Attendance Policy.

- Any student who is late to class will sign a tardy log. This includes being tardy to PAWS and I-Time.
- Lunch Detention & Early Morning Detention are consequences for Tardies and Attendance.
- Students reporting to school late must check in with the Attendance Office.
- The Trackers, Counselors & Administration, will address excessive Excused Tardies.
- Consequences for Unexcused Tardies and Sluffing include the following:

School Rules

DIXON SCHOOL RULES
At Dixon Middle School we believe that everyone has the right to learn in a positive learning environment. Students have the right to learn and teachers have the right to teach without abusive or disruptive interruptions. Students are expected to be prepared to participate positively in each class during the school day.

When in the classroom students are expected to comply with the following rules:
1. Be in assigned seat ready to work when class starts.
2. Bring paper, pencil, books and completed assignments everyday.
3. Keep hands, feet, books and objects to yourself.
4. No swearing, rude gestures, cruel teasing or put-downs.
5. Follow teacher’s directions.

Included in our discipline plan are ways to positively reinforce students who follow these rules. In addition to frequent praise, we may choose to reward students with positive notes or phone calls to parents, “no homework” nights, or special activities, etc.

CLASSROOM EXPECTATIONS
Students are expected to regularly attend all classes on time and work productively in order that teaching and learning may occur for all students. Each teacher establishes their own classroom plan, and informs students and parents with a disclosure document.

APPROPRIATE LANGUAGE
Students will be respectful of others and choose words, which are not verbally abusive. Do not use profanity or vulgar language.

PUBLIC DISPLAY OF AFFECTION
It is against school policy to have any public display of affection in school. Middle school students should not be holding hands, kissing or hugging other students in the school. A student will be given one warning and parents will be notified. Other consequences may be given as deemed appropriate by administration.

RESPECT OF AUTHORITY
Students are expected to respect and obey the authority of school personnel. Showing defiance of school personnel by either word or act is unacceptable. Staff members of Dixon are direct representatives of the principal. Their responsibilities include students within their classroom, as well as, all other students of the school. Requests made by any staff member of any student or group of students should be complied with immediately. Courteous compliance with such requests is essential to the overall success of the school. Resistance to or refusal to comply with reasonable requests by teachers, counselors, administrators, staff members or anyone responsible for school activities is unacceptable. Students who continue to be disruptive will be suspended and/or a parent/teacher/administrative conference will be held.

RESPECT FOR SELF AND OTHERS
This means that:
1. You respect others, don’t bully or harass others.
2. You choose words and actions that do not verbally or physically abuse others.
3. You keep yourself from using profane or vulgar language.
4. You stay away from drugs, including tobacco.
5. You try to get along with other people, not acting in a defiant or rebellious manner.

RESPECT FOR PROPERTY
This means that:
1. You take care of your own property.
2. You take care of the property of others, including the school and city around you.

RESPECT FOR LEARNING
This means that:
1. You are in class unless officially excused.
2. You are on time to all of your classes.
3. You are prepared with materials, assignments and other required items.
4. You participate in class according to instructions given.

CARE OF THE BUILDING
Every staff member and student is expected to take pride in our building and grounds. Please be a thoughtful citizen and pick up paper and other garbage when you see it, instead of walking by.

VANDALISM
Vandalizing school property is unacceptable and will not be tolerated. Full restitution will be required of those students who commit this offense. Parents will be contacted and referral to the school resource officer will be made. In-school or out-of-school suspension may also be used. Rewards may be offered to those who can assist in identifying students who have vandalized the school in any way.
Appearance Standards

School dress standards are known to improve academics and behavior while increasing student confidence and satisfaction. Such dress expectations also help to prevent gang affiliation and violence. Providing a safe learning environment is our number one priority. We want each student to feel safe and be able to concentrate on his or her studies, homework, and lessons more than anything else. Students are expected to comply with the following dress and grooming standards. Students in violation of these rules will be required to correct the problem before being allowed to return to class.

DRESS-UP DAYS
Tuesday is DRESS FOR SUCCESS day at Dixon. On this day, students and teachers are encouraged to DRESS UP! Boys will often wear shirts and ties; girls frequently wear dresses or skirts. A small reward is often offered to students who participate. From time to time we will have fun “dress up days,” i.e.: Hat Day, Hawaiian day, etc. On those days everyone is invited to dress up in the mode of the day. Students are expected to participate appropriately on these fun “dress up days”.

Shirts
Students are permitted to wear both collared and non-collared shirts to school. All shirts must cover the shoulder and avoid low necklines. Clothing cannot gap or sag in such a way that undergarments are visible. Inappropriate clothing includes sheer shirts, tank tops, open-cut shirts (i.e.; sports jerseys or muscle shirts), bare midriffs, low necklines, etc. Tops should be long enough that skin does not show at the waist when arms are lifted.

Pants
Pants must be an appropriate length and not drag the floor. Pants will be worn at the waist and properly fit the waistline. Wearing of oversized or baggy pants and/or jeans is prohibited at school. Shorts and Skirts may be worn, but must be long enough to cover mid-thigh when sitting. Leggings and tights may be worn with a dress or skirt. All shorts and skirts must be tailored/hemmed with no frayed edges.

Shoes
Shoes must be worn at all times. Shoes should be non-marking and in good repair. Students are discouraged from wearing flip-flops for safety purposes. No “wheelie” type shoes are permitted.

Sunglasses
Sunglasses are not permitted in the school unless prescribed by a doctor.

Jewelry
All body piercings must be small and discreet. Anything that is extreme, distracting to student wearing jewelry, other students, teacher, or may present a safety risk is not acceptable. This includes chains and spikes on bracelets, necklaces, etc.

Hair Styles
Hair shall be neat, clean and well groomed. Hair which is extreme and distracting, is unacceptable. Students in violation of this rule will be required to correct the problem before being allowed to return to class.

Hats and other Headwear
Hats will not be worn in the building at any time unless it is a school-sponsored “Hat Day” or unless there is an extenuating circumstance (i.e.; medical). This policy applies to boys, girls, faculty, and staff. Hats that “go with the outfit” are not exceptions. Bandannas or headbands may not be displayed or worn at school under any circumstances.

Gang Related Apparel
Parents of students whose clothing and items are considered to be gang related will be contacted. Some examples include but are not limited to: cut out belt buckles, hanging belts, bandanas, hair nets, certain professional team apparel, and lettering written in the Old English style. School officials will collaborate with the School Resource Officer to enforce rules related to gang related apparel. Students and parents may contact the School Officer for more detailed information.

Extreme or Inappropriate Clothing
Clothing with vulgar words, profane or obscene slogans, depictions of violence or guns, advertisements for alcohol, tobacco, drugs or other inappropriate items are not allowed. Students should come to school appropriately dressed in clothing that is clean, non-distracting, and in good repair. Clothing and apparel that is so conspicuous, extreme, or odd that it may draw undue attention, disrupt, or tend to interfere with the learning atmosphere is unacceptable. Clothing intended as undergarments, worn as outerwear, will not be permitted.

Dress Code Violations
Students found in violation of dress and grooming standards will comply with the following:

1st Violation- Call home. Warning. Borrow clothing for the day.
2nd Violation- Call home. Warning. Borrow clothing for the day.
3rd Violation- Call home. Parent or guardian will supply proper clothing for their child.
4th Violation (+)- Call home. Student may be suspended until proper clothing is obtained from a parent or guardian.

Students will remain out of class until they are in compliance with the dress code. School administrators reserve the right to address and enforce dress code issues, as they deem appropriate.

*Students who borrow shirts and fail to return them at the end of the day will be assessed a $5.00 fine to their student account. *Students who borrow pants and fail to return them at the end of the day will be assessed a $10.00 fine to their student account.
Harassment

RED FLAG BEHAVIORS
Some behaviors, such as bullying, harassing, verbal or physical abuse, fighting or play fighting, horseplay, profanity or vulgar language, drug abuse, and defiance are serious and will be brought to the attention of an administrator. An appropriate consequence will be given, including a Behavior Plan written by you and the administrator. You must abide by that plan in order to avoid more serious consequences.

CRIMINAL BEHAVIOR
The administration at Dixon is committed to maintaining a safe and orderly campus. Report all criminal activity immediately to the administration. The Provo District Safe School Policy covers issues regarding student misbehavior. Students involved in criminal behavior will be referred immediately to Dixon’s on-campus police officer.

DRUG-FREE ZONE
Dixon is a Drug-Free School-Zone, which means drug laws are more strictly enforced than in other city “zones.” In addition to tough enforcement, the penalties and fines levied are larger. Dixon administration works closely with Provo Police Department, with a designated police officer assigned to Dixon.

SAFE SCHOOL POLICY
The standard in the Provo City School District is that every school be a safe place for each student to learn. This means that each school will have a positive learning environment free of violence, intimidation, or harm from individuals, groups, and gangs or from anything related to gang-type behavior, attitude or activity.

BULLYING
Dixon School recognizes that bullying is an inappropriate behavior that has destructive and negative effects on individual students and on the overall climate of a school. Dixon School believes that all students are entitled to a safe and secure learning environment; bullying works against the achievement of that goal. Bullying is a behavior that should never be tolerated. It is important that teachers, students, and parents take a stand against all bullying behaviors.

Dixon School expects that all students will refrain from becoming involved in any bullying behaviors. Failure to comply with these expectations will result in disciplinary action according to the established procedures. In addition, it is expected that all bystanders (third party witnesses) will refrain from supporting bullying behaviors in either an active or passive manner. In fact, it is further expected that bystanders will report the bullying incident(s) to the designated authority. It is important to note that Dixon School views bullying through the eyes of the bullied.

Procedures
1. Report suspected bullying incidents to staff.
2. In cases of bullying, the incidents will be recorded in Power-school and brought to the attention of the administration.
3. The severity and seriousness of the bullying will be assessed and the appropriate action taken. This may include the use of counseling practices, restitution, the loss of privileges, “No Contact Contracts”, interviews with parents and possible suspension from school.
4. If necessary and appropriate, the school will consult with any or all of the following: school psychologist, Student Services and school Resource Officer.
5. An attempt will be made to help the person or people who are bullying change their behavior

Outcomes
1. The person or people who are bullying may be asked to genuinely apologize and make restitution. Other consequences may take place as deemed necessary.
2. If possible, the pupils will be reconciled.
3. In serious cases, suspension or alternative placement will be considered.
4. After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.

SEXUAL HARASSMENT
Federal law prohibits sexual harassment of any kind by students or employees of Provo School District. "Sexual Harassment is unwanted or unwelcome behavior of a sexual nature. Sexual harassment is any act or comment (of a sexual nature), which makes another person feel uncomfortable. Schools are required by law to maintain an environment free from sexual harassment."

Sexual Harassment takes many forms. Here are a few:
• Gender-offensive items, photos, posters.
• Inappropriate gestures, touching or grabbing.
• Sexual remarks, suggestions, or spreading rumors Offensive jokes, language, or teasing, whistles or catcalls.
• Pressure for unwanted activities or encounters.

In a school or work environment flirtation is most often inappropriate, but sexual harassment is always illegal."

What can you do?
• Say "STOP" Tell the harasser you do not like the behavior and you want it to stop.
• Tell someone: talk to a teacher, counselor, or principal.
• Keep records: If the behavior continues, write it down. Be sure to include dates, times, names, places, and witnesses.
• Take action: File a written complaint with the principal.

Power School

Power School partners with schools to improve the quality and effectiveness of education by empowering students, parents, and educators with real-time information, relevant assessment tools, and educational resources online.

Teachers record grades and attendance. This information is immediately available online to parents through a confidential login, as well as to administrators. Students get real-time access to academic progress so they know exactly where they stand. Parents/guardians can review grades, check attendance, and correspond through email with teachers (including receiving an automated weekly report on the student progress via email) allowing them to take an informed and proactive role in their child’s education.

Using the Internet, point the browser to the following: Through Dixon Middle School: (1) Go to http://www.dms.provo.edu (2) Click on Power School (3) Type in your student’s confidential student ID and password and click go.
Your student’s confidential ID is their student number and the password is their birthday in this format – 2/6/93. (Slashes are needed and preceding zeros are not.) If you have questions you may call the Counseling Office.

Progress Reports

iTime printouts are given to students on Monday. Parents may request weekly progress reports from Power School. Parents may also request tracking or other interventions to assist their student. (See administration.) Formal parent teacher conferences will be scheduled twice per year. Parents desiring more frequent contact with teachers may make appointments through counselor’s or directly with teachers.

iTime

iTime will be held four days a week on Tuesday-Friday. iTime is intervention time to work on “I Can Statements”. Planners will be stamped if attendance to a certain section is required. Planners will be checked in PAWS class everyday. Planners will be a students “ticket” to leave PAWS and attend either a selected or required class. Students will plan their weekly iTime schedule each Monday in Paws based on learning needs for the week. Students who do not have a planner in PAWS will remain in their PAWS class for iTime.
STUDENT PLANNERS

Students, this planner is designed to help you become more organized and succeed in school. If it is used effectively, you will always be aware of your class assignments and expectations for each teacher. The binder reminder is also a very positive and important link among the student, the parent and the school.

1. You are expected to take your planner to each class every day and keep it neat and clean.
2. You are expected to write all homework assignments in your PLANNER. You are also expected to take your planner home each night.
3. Your planner will be checked daily by some teachers and weekly by others. Teachers and/or teams will designate specific days to check for parent signatures.
4. Students are also responsible for lost planners. The cost for replacement is $5.00.

* PARENTS, please check your child’s planner daily. This can be an excellent tool for teacher and parent communication.

HALL PASS

Students should not be in the halls during class time, unless they are carrying a hall pass. Every student is given a student planner. In addition to using it as a planner, it is also designed to be a hall pass. Students may not leave class without a planner, with a teacher’s signature, time allotted, and date listed. Office aides will wear specially prepared nametags. Teacher assistants must have a hall pass when in the halls. Only one student per hall pass is permissible.

CLOSED CAMPUS POLICY

Dixon Middle School is a closed campus. Students are expected to remain in their assigned class during class periods, and on school property at all times during the school day. Any student leaving campus must be properly checked out by their parent or guardian through the attendance secretary.

Once you arrive at school, you are required to stay on campus at all times during the school day (8:00 A.M. to 2:50 P.M.)

Students - Any violation of this policy is considered truancy, and will be reported to parents. This may also lead to placement in the Truancy center, or referral to Truancy School or court.

OFF CAMPUS LUNCH PASSES

In special cases, where students live close enough to school to go home for lunch-under the supervision of a parent, a lunch pass may be issued. Parents may make a written request for lunch passes to the Assistant Principal. Students are not allowed to bring other students home with them for lunch.

COMPUTER USAGE AND FRAUD

Computers and iPads are used at Dixon to assist in the educational process. Students may have access to computers and iPads as long as they follow the posted policies and/or requirements outlined in teacher disclosures. Students who violate computer policies will lose their computer privilege. (See “Appropriate Computer Use” Section)

HELP!

Occasionally, every student may feel the need for extra support or help from the school staff. We have many understanding persons and available programs that can help you get through any tough time. If you are stressed, frightened, bored, tired or just need somebody to talk with you about a problem or concern that you may have, please talk with someone on the staff. Your teachers, counselors, resource office, assistant principal, principal and other staff members are here to help you have a positive middle school experience.

PRESCRIPTION DRUGS/MEDICATION

Students who must take prescribed medications during the day must have parents provide the school with a doctor’s note that includes dosage, storage instructions, and the original container/prescription bottle. Students may then come to the attendance office for medication. The secretary logs medication given to students. Inhalers are also approved.

BICYCLE, ROLLER BLADE, SKATE BOARD POLICY

Acceptable Video Use Policy
Provo City School District

Videos are used in Provo City School District to support and illustrate teaching concepts through face-to-face instruction. Their use should have a benefit to an educational purpose, be appropriate to the intended audience age level, and be directly linked to the curriculum taught in the classroom.

No video or video segments may be shown which contain profanity; graphic blatant, or gratuitous sexuality; or extensive, unnecessary, or gory violence. Any full-length showing of a video requires administrative approval. No R-rated videos may be shown in part or whole, edited or unedited. Parental disclosure is required for any video with a PG or PG-13 rating.

Parental Disclosure
When parental disclosure is required, teacher must notify parents of films to be used in class. Such notification shall be in writing and may be included in the annual disclosure statement or in writing at least five school days ahead of the film’s viewing.

Parental Exclusion
Students whose parents have objected to student viewing of a video will be accommodated by the teacher in ways that are not punitive to the child, that remove the child from the viewing area, and that provide a meaningful learning experience during the time of exclusion. No academic penalty may be given to students for missing a film due to parental exclusion.
Acceptable Computer System Use Policy
Provo City School District

Provo City School District provides Network Services to its students and employees. Network services include all computer hardware, network and Internet services and associated software.

The Internet is a very effective tool to introduce students to the global nature of information and to share information in a variety of ways. With increased access to computers and people all over the world, there is also increased access to controversial material that may not be of educational value in the context of the school setting. Provo School District reserves the right to:

• Monitor and track the use of Network Services,
• Suspend or revoke privileges and take appropriate disciplinary action for unacceptable use of the Network Services, and
• Implement filtering software on the network to monitor Internet use and access.

The District firmly believes that the valuable information and interaction available on the Internet far outweighs the risks of users obtaining material that is not consistent with the educational goals of the district.

Access to Network Services will be provided to students and staff who agree to act in a considerate and responsible manner. General school rules for behavior and communications apply, as does Provo School District's Character Development statement.

The use of Network Services is a privilege, not a right. Inappropriate use will result in cancellation of those privileges and possibly other disciplinary or legal actions including criminal prosecution, suspension, expulsion or termination of employment.

The following activities are not permitted:

• Sending, displaying, or accessing offensive messages or graphics
• Using obscene or vulgar language
• Harassing, insulting or attacking others
• Damaging computers, computer systems or computer networks
• Violating copyright laws
• Using another person's password
• Trespassing in others' folders, work or files (School officials may monitor student or staff folders, work or files without permission or notice.)
• Intentionally disrupting the system or wasting resources in any way (such as disk space or printing capacity)
• Using the Network Services for illegal or commercial purposes (business transactions)
• Using the equipment in any way that is inconsistent with individual school policies
• Students using the equipment without staff permission and supervision.

General Guidelines for Network Services Users

Communications on computer networks are usually public in nature and privacy cannot be guaranteed, even for personal messages. Therefore users should:

1. Not include personal addresses, pictures of self, phone numbers, location of school, and personal financial information in network communications.
2. Give notice immediately to a parent, teacher or system administrator if they encounter materials, which violate the rules of appropriate use, or if the messages or files sent to them contain threats, sexual references, or if they make them feel uncomfortable.
3. Never agree to get together with someone they meet "online" without first getting permission from their parent or guardian.
4. Not divulge their password to another person.

I understand that using Network Services within the Provo City School District is a privilege and not a right. My use of this privilege may be suspended or revoked by the school at any time if I do not follow the terms of the district and individual school Acceptable Computer System Use policies. I agree to keep my password confidential and to properly log off the computer before leaving my workstation. I will never let anyone else use my account.

As a condition of my use of the Network Services, I have read and will comply with the terms and conditions stated in the Acceptable Computer System Use Policy for Provo City School District. I understand disciplinary action will be taken if I violate this agreement.

* Student users must have permission from a parent or guardian

Parent or Guardian - Please sign, giving permission for your student to use Provo School District Network Services.

"As the parent or guardian of this student I have read the terms and conditions of this agreement. I understand access to the Network Services is a privilege and not a right, and is provided for educational purposes. However, I also recognize it is impossible for Provo City School District to restrict access to all controversial materials. Therefore, I will not hold the school, the school district, or any member of the school district responsible for inappropriate communication on the Network Services or for any objectionable material viewed or used by my student."

"I hereby give my permission for my student whose name and signature appear above to use the Network Services in the Provo City School District and, where appropriate, to be issued a password and/or an account that will give them that access."
