Call to Order

Attendance:

## Discussion / Public Comment

### **Apartment Complex by Franklin**

- Isabel was able to save 3 families from eviction. Owner improperly posted that due to water repairs families had to leave prior to earlier notice given.
- If we have other students that are missing, check with Mary to see if we have other families affected.

### **Survey Question**

- Mark Wheeler at the District had requested a survey of the building 3-4 months ago from Meridian Engineering. Neighbors were concerned about us selling the building but this was a planned survey for maintenance and possible repairs.

## Agenda

### **Library / Zen Den**

- We are going to hire someone to staff it using funding from ESSER instead of Trustlands as previously discussed.
- We will route funding from Trustlands to add to the library for the next couple of years.

### **Scholastic / Book Fair**

- Cancelled from the book fair schedule by Scholastic due to lack of sales and no scheduled fairs during COVID
- If we are OK with waiting a few years to get back on their schedule, then we do not need a book fair.
- There are other options perhaps better suited to our goals and demographic
- Book Vending Machine @ Lakeview
- Leftover books from Author Con? First Book?
- Brandon Mull on 21st of October for English classes assembly

Motion by Rebecca Nielsen, 2nd by Marie Patrick -- unanimously approved.

**TikTok**

- 6 dispenses stolen; 5 returned (the last was returned but damaged)
- Emails sent to parents to discuss the matter / shut down school issues in 3 days

**Bike Racks**

- Do we need more?
- Happy to order more if needed but Bike to School week showed we still have space per Marie.

Motion to Adjourn: Rebecca Nielsen, seconded by Marie Patrick. Unanimous.
