February 14, 2022

Dear Parent/Guardian & Student:

Dixon Middle School Faculty and Staff are looking forward to welcoming you to the 2022-2023 school year. Class registration must be completed **online** this year. This will be done in **PowerSchool** through the **Student** or **Parent Portal**. The open registration window is **February 16 thru February 25**. All needed instructions are detailed on the back of this letter. We encourage you to look through the course description booklet carefully. This will allow you to make thoughtful decisions when it comes to choosing your courses for next year. The course description booklet may be found in the following places:

- ❖ Digital copy emailed to Parents and Students
- ❖ School Website - [dms.provo.edu](http://dms.provo.edu)

As per board policy, we will use the academic performance of every student as the prime criteria for placement in courses, including advanced and remediation courses. Placement will be based on current performance, current teacher recommendations, and end of the year content area assessments.

In order for your student's schedule requests to be considered, registration must be completed during the open registration window **February 16 thru February 25, 2022**.

If you have any questions or concerns, please contact me via email at [terryh@provo.edu](mailto:terryh@provo.edu).

Sincerely,

Terry Hansen  
Dixon Middle School Registrar
